

Cowboy Beebop Cool Scenes

Friday, 05 October 2007

This is rather random, but I just want to share a little about Cowboy Beebop. Some of you might not know Cowboy Beebop - it's an anime featuring bounty hunters making a living by hunting bounties. They have wicked kungfu kicks and it's well animated.

It has nothing to do with boring long scenes of two people talking rubbish for 10 minutes, show off their biceps for another 10 minutes, and start yapping for another 5 and then only fight for a few seconds and you'll have to wait for the next episode - don't worry, you won't be bored by these.

Anyway, here's a kickass cowboy kicking badasses with a cool Nirvana song.
